

# NEW SOLUTIONS FOR YOUR PRODUCTION

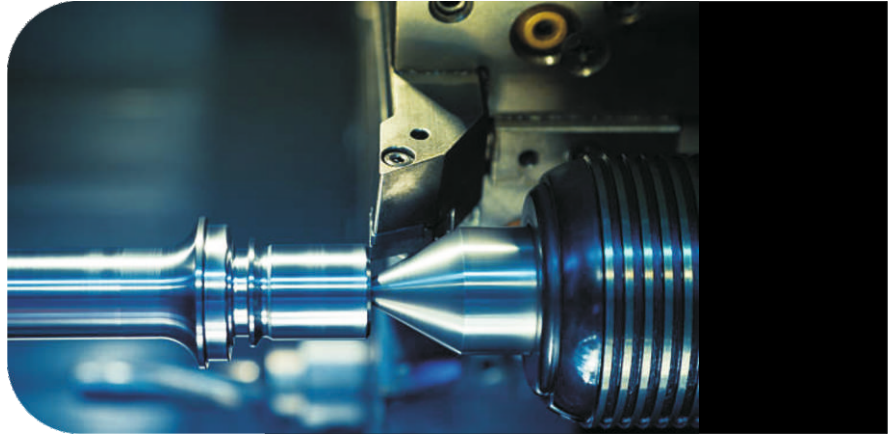

*Responsible Engineering*

**MadhyamSales**

# MADHYAM SALES IS AN ORGANIZATION OF MARKETING AND SERVICING OF CNC MACHINES FROM GLOBAL LEADER

## Our Vision

We deliver value added service by providing engineered products and solutions with Hitech CNC Machines from Global.

## Values

- Team Work
- Customer delight
- Cost effective solution
- Empowering People
- Ensuring quality

## Industries We Cater To

Railway Sectors  
Metro Sectors  
High Speed Rail Projects  
Infrastructure  
Automobile  
Aerospace  
And Many More ...

# PROFILE

- More than twenty years' experience in marketing and service of High end CNC machines from global leaders.
- Specialized in Sales and service of imported CNC machines in all over India from Well-known and reputed brands from Japan, South Korea, Taiwan, USA, France and Switzerland.
- Specialized in CNC Turning, Vertical Machining Centres, Horizontal Machining Centres, Boring Machines, Gantry machines, Automation, Drill / Tap Centres, Grinding Machines and Railway Axle and Wheel Turning Machines.
- Analysing the component drawings, suggesting suitable machines, process and providing complete solution.
- We will provide Program Training, Machine operation and Mechanical Maintenance training to customers.
- Factory Trained and Experienced Sales and Service Executives.
- Sales and Marketing
- Installation and commissioning
- Warranty Service
- Preventive & Breakdown Maintenance
- Post Warranty Annual Maintenance Contract
- Spare Parts Support
- Technical & Application Support.
- Automation.

**AUTOMATIC MAGAZINE BAR FEEDER FOR FIXED &  
SLIDING HEADSTOCK MACHINES WITH BAR DIAMETER  
CAPACITY FROM .8 TO 80mm**

**Product Details:**

- \* Bar Feeders
- \* Chip Conveyors
- \* Coolant Systems
- \* Air Filtration System

Coolant Purification Equipment  
**M/s HC FENG CO., LTD.**  
 Make Taiwan

**Best-1 videos :** <https://youtu.be/lllgGWf1zfY>  
**Foodie videos :** <https://youtu.be/1CbD6KskGSw>

**USAGE:**

Best-1 remove tramp oil and filter small impurities.  
 Foodie filters chips, sludge and swarf.

**ADVANTAGES OF BEST-1:**

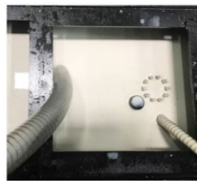

- Higher capacity than Best-Mini.
- Modularization design which is easy to install and replace for each part.
- Ozone system to kill bacteria so the coolant will not become stale again
- Control panel for intelligent setting and automatic operation
- Is able to add pH device to attract high end users
- Fine outer design

**ADVANTAGES OF FOODIE:**

- Air driven only
- No filter bags required for repeating replacement
- Portable, one for all
- Equipped with air gun, easy maintenance

# ACCESSORIES

**VITO AG**

**Eltastr.6, 78532 Tuttlingen**

**T: +49 (0) 7461 / 1508050 | F: +49 (0) 7461 / 1508051**

**info@vitofilter.com | www.vitofilter.com**

**BEST  
SELLER**

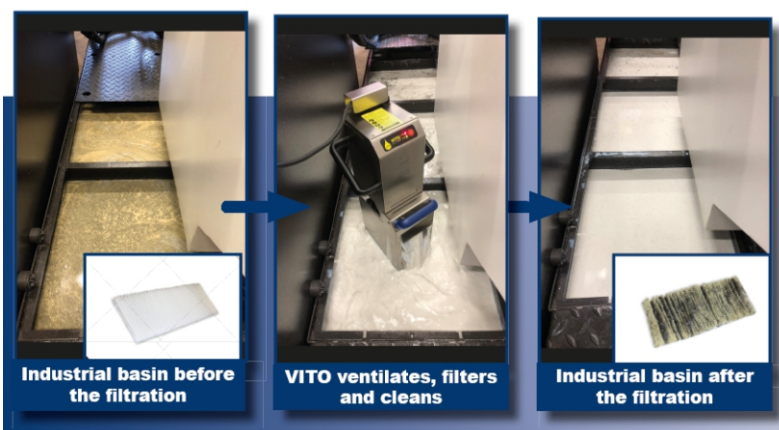

**VITO 90**

Filtration of high  
volumes of cutting  
lubricants

- configurable
- suitable for any basin
- available with continuous motor
- automatic pulse filtration

## Your benefits with the VITO

- Cleans and ventilates coolant lubrication
  - Decrease of forming bacteria & fungus
  - Reduces CO<sub>2</sub> emissions
- Extended service life and decreased tool wear
  - Compact portable design - highly efficient
  - Reduced maintenance cost
